DANISH

# danish ashwood

# DANISH

The Danish chair is renowned for its minimalist design and functional elegance. Often crafted from high-quality wood and upholstered with comfortable fabric or leather, these chairs embody the essence of Scandinavian design. They are characterized by clean lines, ergonomic comfort, and a timeless aesthetic that fits well in both modern and traditional settings.

The Lambda chair combines modern elegance with unparalleled comfort. Its beige upholstered seat and curved backrest offer a cozy sitting experience, while the sleek wooden legs provide a stylish and stable foundation. Ideal for any contemporary space, the Lambda chair is both functional and aesthetically pleasing.

**LAMBDA**

With its unique, curved wooden armrests and light fabric cushioned seat, the Bone chair combines natural materials with contemporary design. The angled wooden legs provide both stability and style, making it a functional and aesthetically pleasing addition to any modern space.

**BONE EPOXY**

With its warm medium-brown polished wood and black tufted cushioned seat, the Gio chair epitomizes modern minimalism. Its curved backrest and armrests offer both comfort and style, making it a perfect addition to any contemporary interior.

**GIO**

# GIO BARSTOOL

The Gio Barstool combines the elegant curves of its wooden backrest and armrests with the comfort of a cushioned, dark fabric seat. Its minimalist design, split to highlight different finishes, effortlessly blends style and functionality, making it a chic addition to any modern bar or kitchen space.

The Belmon chair features a modern design with a dark brown leather seat and backrest, complemented by a sturdy wooden frame. The leather upholstery has a ribbed pattern, adding texture and visual interest. With its clean lines and slightly angled backrest, this chair offers both style and comfort, making it suitable for various settings, from home to office.

**BELMON**

# belmon ashwood

## belmon armchair

W:60 / D:62 / H:78,5 | W: 12,4KG

# belmon barstool

The Ghost chair features a modern, elegant design with a quilted pattern on its backrest and seat. Upholstered in beige fabric, this chair provides a comfortable and stylish seating experience. The black legs with gold-colored tips add a touch of sophistication, making it a perfect addition to any contemporary interior.

**GHOST**

# GHOST PLUS

Featuring a dark, tufted backrest and seat cushion, the Ghost Plus chair brings a blend of elegance and comfort to any space. Its wooden frame and legs, with gold-colored tips on the front legs, add a touch of sophistication. This chair's design combines modern and classic elements, making it a standout piece for contemporary interiors.

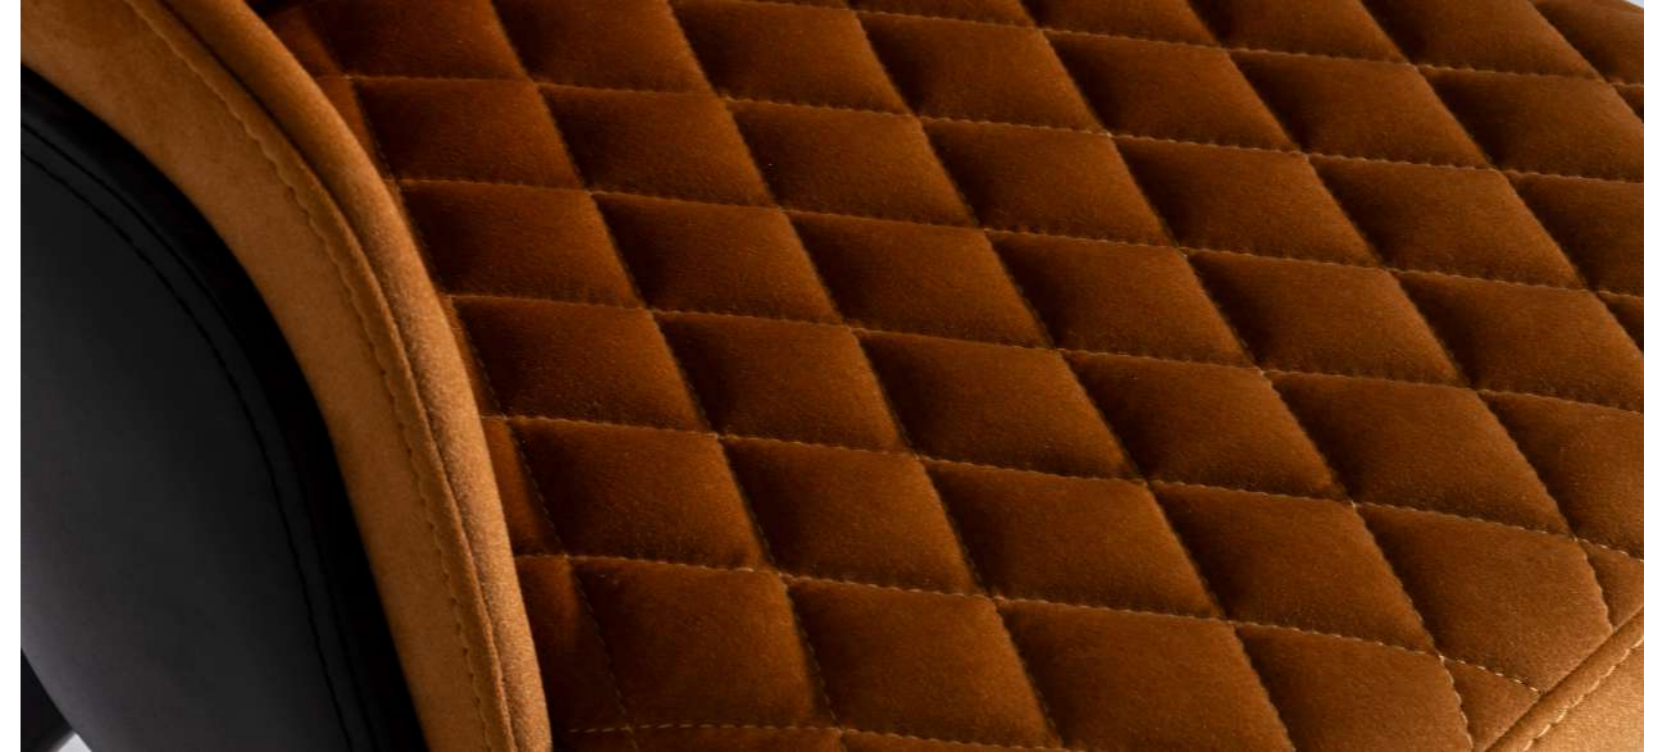

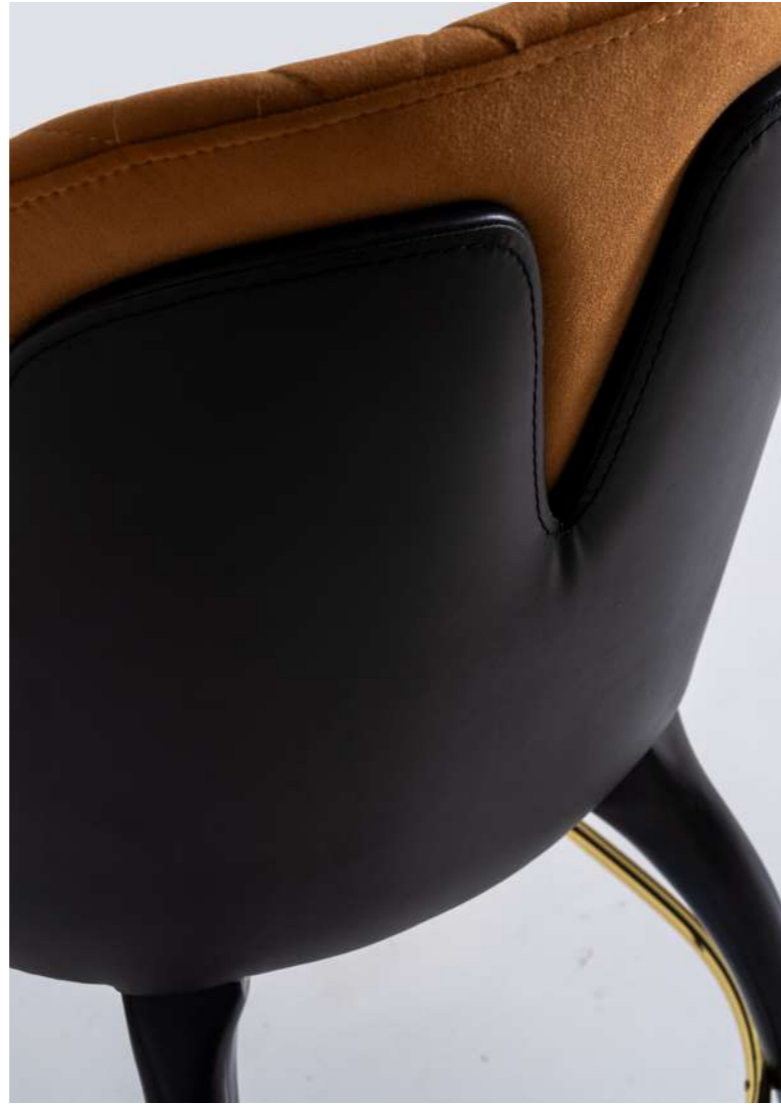

# ghost armchair

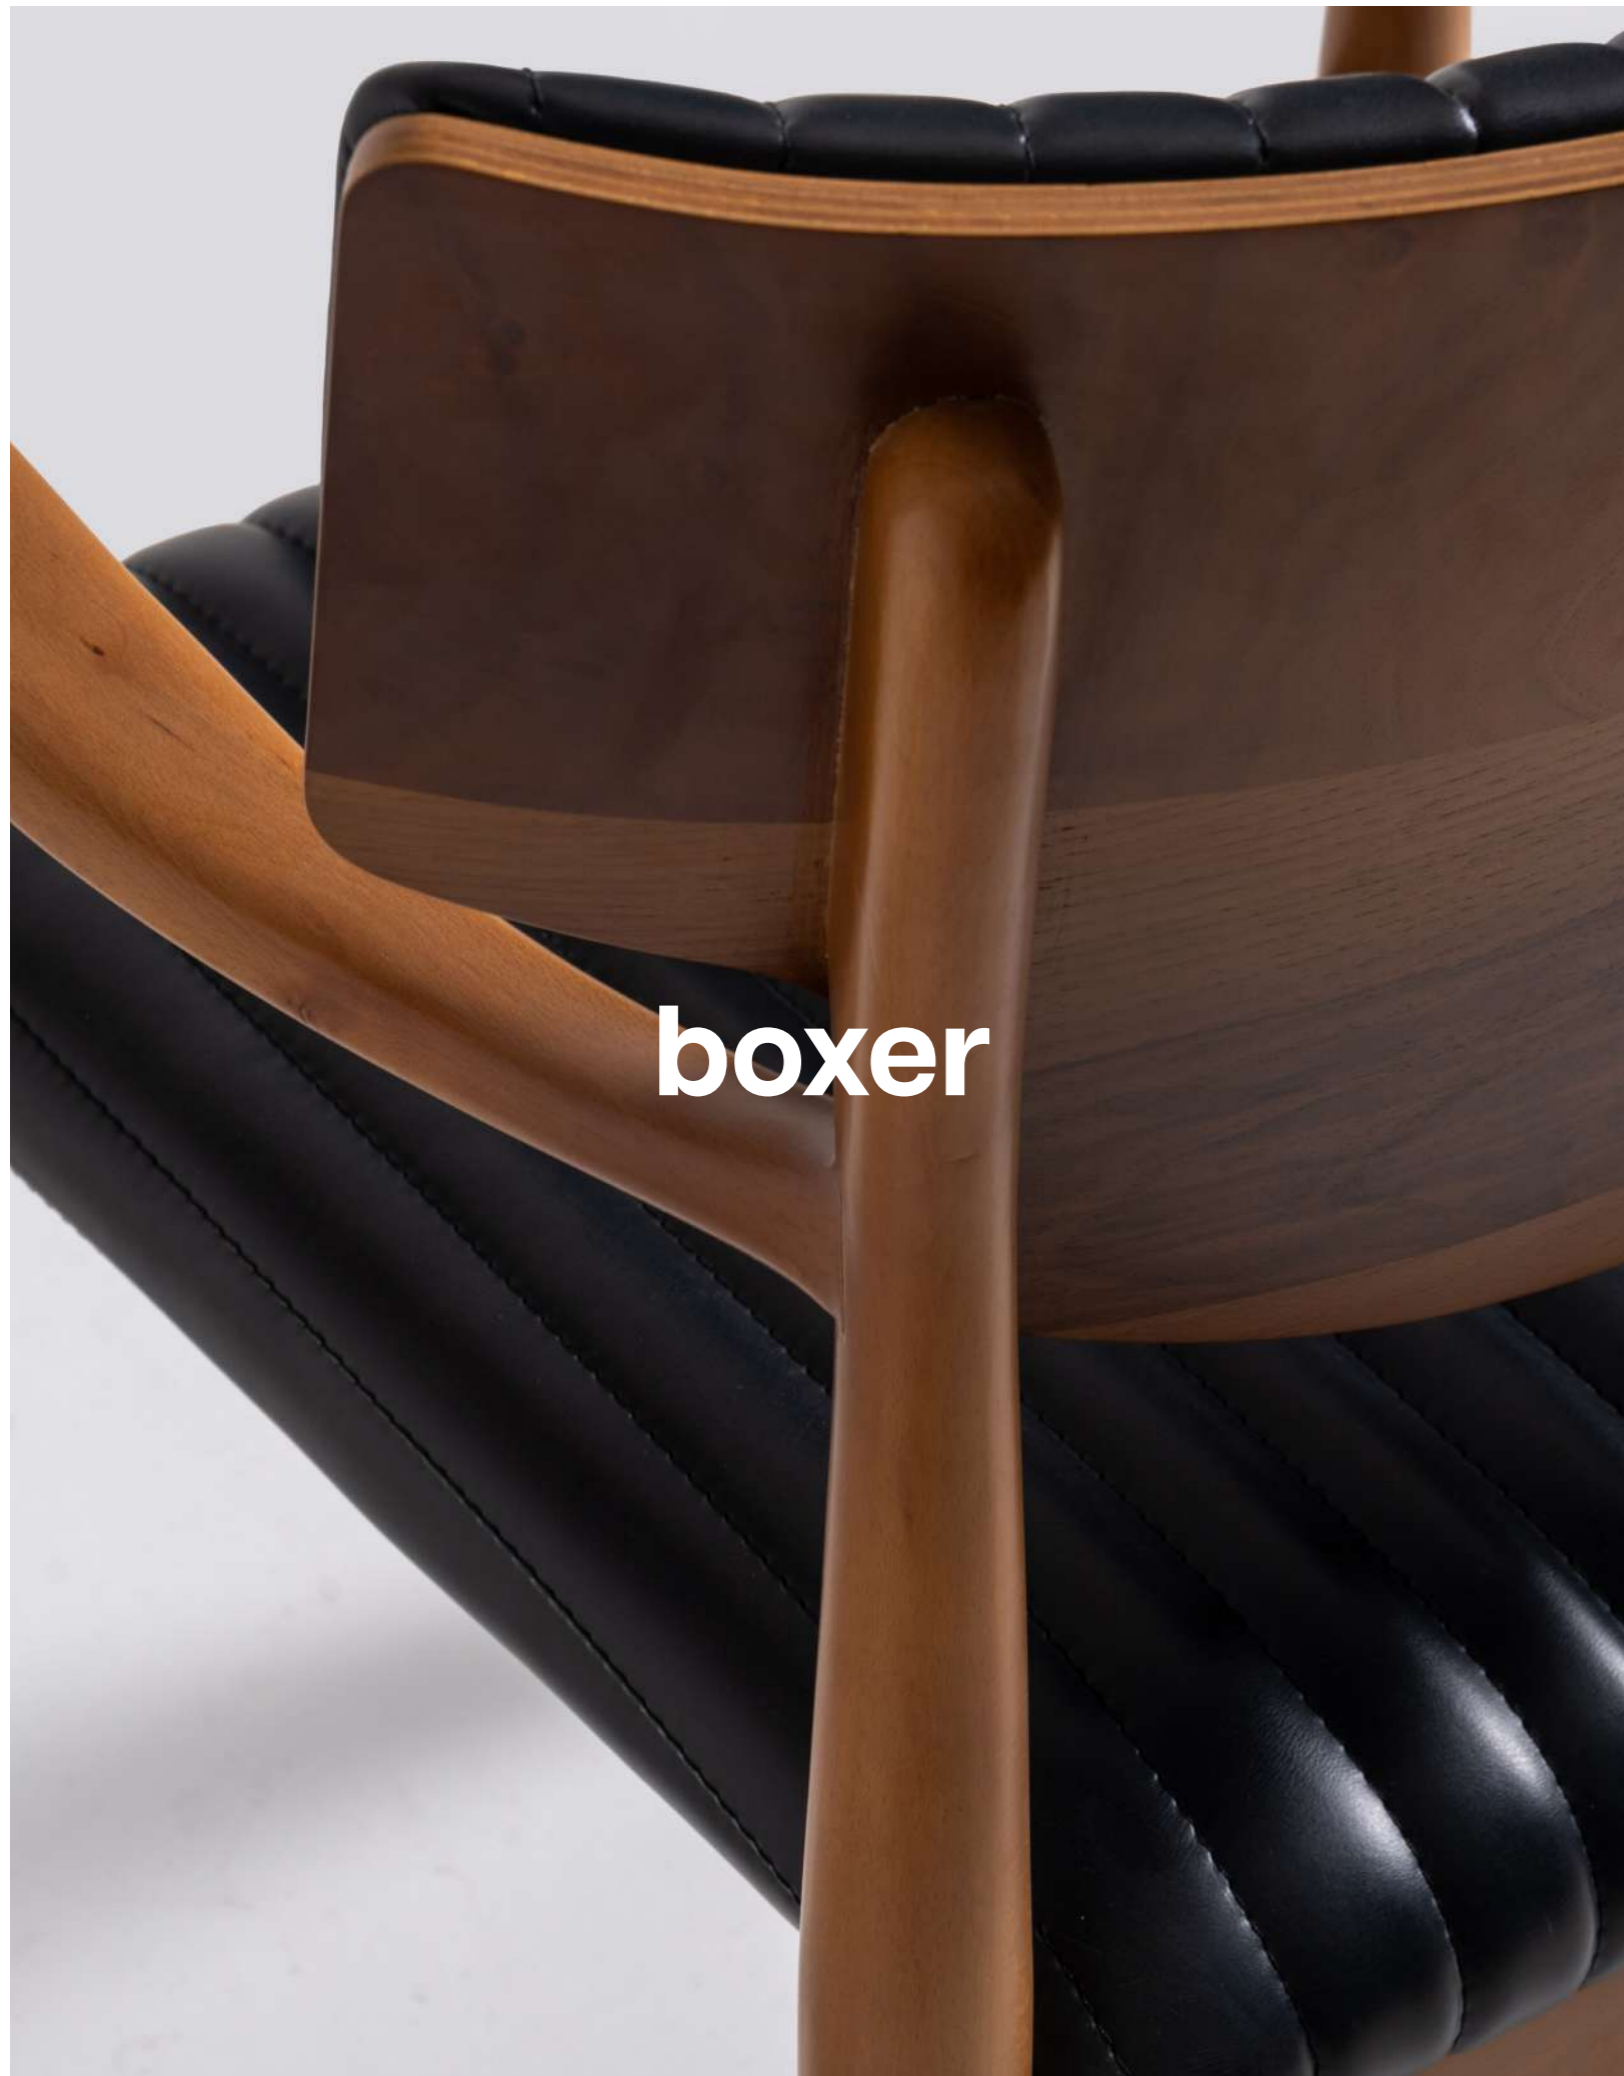

# ghost barstool

Featuring a sleek, modern design, the Boxer chair combines a wooden frame with a ribbed black leather seat and backrest. The chair's armrests add to its comfort, making it an ideal choice for any contemporary space. Its minimalist aesthetic and durable materials ensure both style and functionality.

### BOXER

The Stemma chair features a minimalist design with a natural wood finish. Its curved backrest and seat provide comfort and support, while the straight wooden legs offer stability. The chair's clean lines and smooth surface make it versatile for various settings such as dining rooms, offices, or waiting areas. The natural wood grain adds warmth and sophistication to its overall appearance.

### STEMMA

# inna armchair

The Inna armchair features a modern design with a harmonious blend of materials and colors. The seat and backrest are upholstered in a rich brown fabric, while the sides and back showcase a lighter beige material with vertical stitching for added texture. The chair has a boxy shape with a slightly curved backrest, providing both style and comfort. Supported by four slender metal legs, the Inna armchair is a stylish and functional piece for contemporary interiors.

## INNA ARMCHAIR

“The Anka chair is a masterpiece of modern design, featuring a sleek wooden frame with a warm, light wood finish. The chair’s curved backrest and armrests offer both style and comfort, while the dark cushioned seat provides a striking contrast. Its minimalist yet sophisticated design makes it a perfect addition to any contemporary interior.

**ANKA ASHWOOD**

# luba

The Luba chair features a modern design with a unique, ribbed backrest that wraps around the sides to provide partial armrests. Upholstered in dark green material, the padded seat and backrest ensure comfort and style. The chair stands on four slightly angled wooden legs, giving it a sturdy and sophisticated look. This chair effortlessly combines contemporary aesthetics with functional comfort.

## LUBA

oru

The Oru chair showcases a modern design with a brown leather seat and backrest, featuring a curved backrest that extends into armrests for added comfort. The black frame and legs provide a striking contrast to the warm brown leather. With its sleek lines and contemporary style, the Oru chair is a perfect addition to any modern interior.

**ORU**

# ABEL ASHWOOD

With its sturdy ashwood frame and minimalist design, the Abel Ashwood chair is both stylish and functional. The light-colored wood contrasts beautifully with the red-dish-brown cushioned seat and backrest, offering a warm and inviting look. This chair's clean lines and modern aesthetic make it a versatile addition to any dining room, office, or living space.

# ABEL ASHWOOD PLUS

We merge the warmth of natural wood with the sophistication of modern fabrics to create chairs that are as inviting as they are enduring.

The Bongo chair is a striking piece of modern furniture with a glossy black finish and a unique curved backrest featuring vertical ridges. The seat cushion is upholstered in a dark material, likely leather or faux leather, adding to the chair's luxurious feel.

### **BONGO**

# IBETTA

The Ibetta chair features a wooden frame and legs that provide a warm, natural aesthetic. The seat and backrest are upholstered in blue leather with a tufted design, adding a touch of elegance and sophistication.

The Moulin chair features a modern design with a sturdy wooden frame and a comfortable upholstered seat and backrest. The upholstery is a textured fabric in a brown and white pattern, adding visual interest and warmth to the piece.

**MOULIN**

The Odette chair embodies modern elegance with its sleek wooden frame and neutral, textured fabric upholstery. The clean lines and slightly curved backrest and armrests provide both style and comfort, making it a versatile addition to any contemporary space.

### ODETTE

The Grain chair features a modern wooden frame and light beige upholstered seat and backrest. The chair's minimalist design, with four tapered legs and a slightly curved backrest, ensures both style and comfort.

**GRAIN**

The Grain Ashwood chair combines a sleek, modern design with natural materials. It features a comfortable, greyish textured fabric seat and backrest, supported by a sturdy ashwood frame.

### **GRAIN ASHWOOD**

The Grain Barstool features a wooden frame with a dark, textured fabric seat and backrest. The sleek, modern design includes four legs connected by a footrest, ensuring both comfort and style.

**GRAIN BARSTOOL**

# PEGGY

The Peggy chair showcases a modern design with a wooden frame and dark, textured fabric upholstery. The chair's curved backrest extends to form armrests, providing both comfort and style.

# PEGGY WICKER

The Peggy Wicker chair combines modern elegance with natural materials, featuring a beautiful wicker backrest and a cushioned seat upholstered in gray fabric. The chair's wooden frame and four legs provide sturdy support, while the curved backrest ensures comfort and style.

lia

“The Lia chair boasts a modern design with a curved backrest and armrests, providing both comfort and style. The cushioned seat is upholstered in dark leather or a similar material, adding a touch of elegance.

**LIA**

capri

The Capri chair is a stunning example of contemporary design. It features a curved wooden frame that seamlessly integrates the backrest and armrests. The seat is cushioned and upholstered in light grey fabric, providing both comfort and style.

**CAPRI**

The Strap chair is a modern, minimalist piece featuring a black cushioned seat and backrest. The thin, tapered black legs are accented with brass or gold-colored finishes on the armrests and the upper part of the legs.

**STRAP**

# STRAP BARSTOOL

The Strap Barstool features a modern design with a white cushioned seat and backrest. The frame is black with gold-colored armrests and accents, adding a touch of elegance. The legs are slender and tapered, with a footrest connecting the front legs.

The Crown chair showcases a beautifully simple and elegant design. It features a wooden frame with an oval-shaped, padded backrest and seat, both upholstered in a rich brown, textured fabric. The straight legs and minimalist structure provide a modern touch, while the warm fabric adds comfort and style.

**CROWN**

The Casablanca chair epitomizes modern elegance with its wooden frame and light gray upholstered seat and backrest. The slightly curved backrest ensures added comfort while maintaining a sleek, contemporary design.

**CASABLANCA**

# casablanca plus

The Casablanca Plus chair features a modern design with a wooden frame and legs. The chair has a cushioned seat and backrest, both upholstered in a light grey fabric. The backrest has a curved design that extends into armrests, providing additional comfort and support.

## **CASABLANCA PLUS**

The Nurayza chair exudes modern sophistication with its high backrest and armrests, upholstered in rich brown leather or leather-like material. The wooden legs add a natural touch to the sleek design, making it a versatile piece for various interior settings such as dining rooms, offices, or living spaces.

**NURAYZA**

vargas

The Vargas chair is a masterpiece of modern design, featuring plush, textured fabric and a unique shape. The curved armrests extend down to form the front legs, creating a sculptural appearance.

**VARGAS**

The Lusso armchair exudes elegance with its light beige upholstery and sleek, smooth texture. The chair features a slightly curved backrest and armrests that provide a comfortable seating experience.

**LUSSO ARMCHAIR**

# acelya armchair

The Acelya armchair exudes modern elegance with its beige fabric upholstery and slightly curved backrest and armrests. The cushioned seat and ribbed texture on the sides add both comfort and visual interest.

## **ACELYA ARMCHAIR**

# amor armchair

The Amor armchair is a modern and stylish piece with dark grey fabric upholstery. It features unique curved armrests that seamlessly blend into the backrest, creating a smooth and continuous form.

## **AMOR ARMCHAIR**

The Giulette Sofa is a modern, stylish piece featuring dark, textured fabric upholstery. It has a sleek design with two matching cushions placed on the seat. The armrests are slightly curved, providing both comfort and a contemporary look.

**GIULIETTE SOFA**

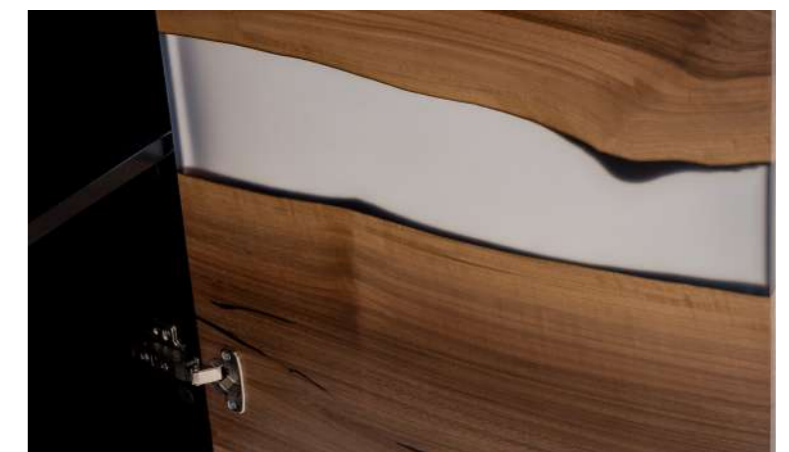

# MASAL POUF

The Nile Console features a sleek and minimalist design with a rich, dark wood finish. Its rectangular top provides ample space for display items or practical use. The console stands on four slender legs, adding a touch of elegance and modernity to the piece. The clean lines and timeless design make the Nile Console a versatile addition to various interior styles, from contemporary to traditional.

### NILE CONSOLE

nile console

The Nile TV Unit showcases a sleek and modern design, perfect for any contemporary living room. This piece combines wood and black accents, creating a distinctive and stylish appearance. The unit features four cabinet doors with a unique wood grain pattern, complemented by a black horizontal stripe running across the middle. Tapered and angled legs add to the contemporary look, making it both functional and aesthetically pleasing. This TV unit provides ample storage space for your media equipment, ensuring a tidy and organized entertainment area.

### NILE TV UNIT

nile tv unit

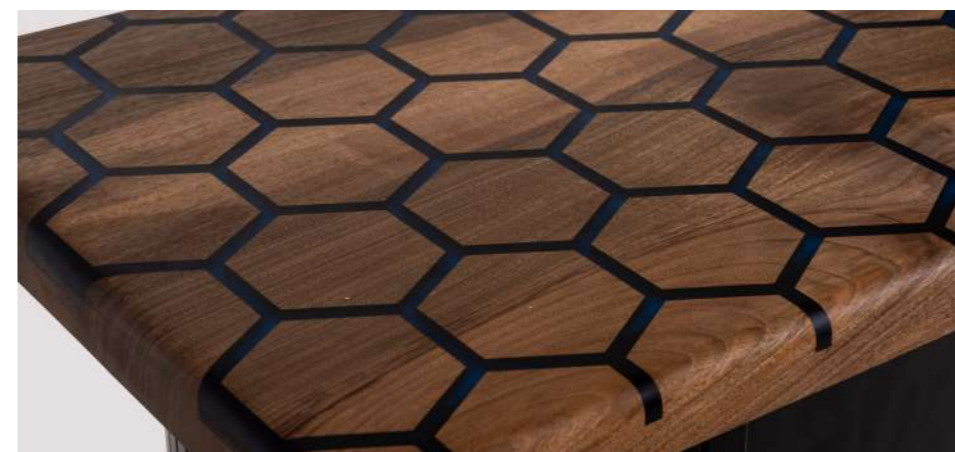

The Nile Bar Table features a stunning design with a natural wood grain top and a sleek black base. The wooden top has a rectangular shape and a natural finish, showcasing the beautiful wood grain pattern. The solid black base is designed with vertical grooves on the sides, giving it a modern and sophisticated look. This sturdy and well-constructed bar table is perfect for a bar or dining area, offering both style and functionality.

### **NILE BAR TABLE**

nile bar table

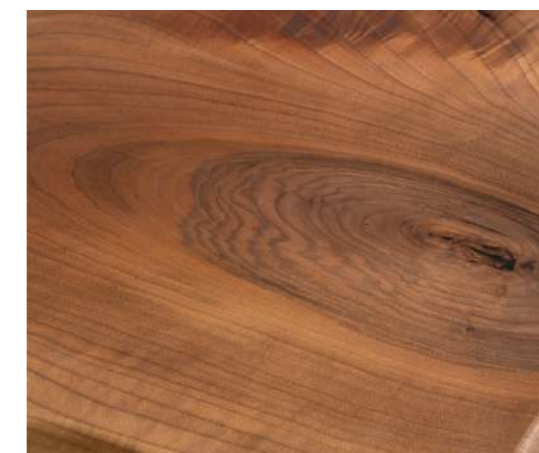

The Defne center table is a stunning piece that combines elegance with functionality. It features a sleek, dark wood finish that adds a touch of sophistication to any room. The table has a unique, irregular shape with a smooth, polished surface. Supported by three elegantly tapered legs, the Defne table is both sturdy and visually striking. Its contemporary design makes it a perfect centerpiece for a living room or lounge area.

**DEFNE CENTER TABLE**

The Defne side table is a stunning piece of furniture with a unique, organic design. Made from wood, it features a round top and base connected by a single, curving support. The visible wood grain enhances its aesthetic appeal, making it a standout piece in any room. This sculptural design is both artistic and functional, adding a touch of elegance to your living space.

**DEFNE SIDE TABLE**

epoxy table

The Epoxy table features a wooden top with a natural finish and a stunning black epoxy resin inlay running through the center. The combination of natural wood and epoxy resin creates a visually striking piece that blends rustic and modern design elements. The table's unique, curved wooden legs add to its aesthetic appeal, making it a perfect addition to contemporary or eclectic interiors.

### EPOXY TABLE

“The Walnut table is a true statement piece that combines natural beauty with expert craftsmanship. Featuring a live edge, the tabletop showcases the rich grain and texture of walnut wood. The unique X-shaped legs provide both sturdy support and a stylish design element. This handcrafted table adds a rustic yet elegant touch to any dining or living space, making it both functional and visually striking.

### **WALNUT TABLE**

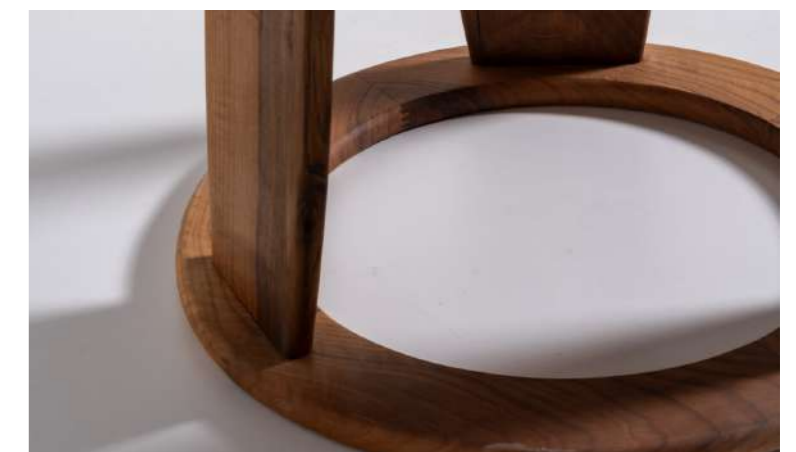

# walnut table - Ø

The Walnut table is a beautiful round table with a polished surface, showcasing the natural grain and variations of the walnut wood. It features a unique design with three vertical wooden supports that connect the tabletop to a circular base. This elegant and sturdy design makes it a functional and visually pleasing piece of furniture, perfect for adding a touch of sophistication to any space.
