This product has CATAS certificate.

Moon / Black

Moon-S family has an elegant silhouette and minimal design. The shape of the round column, which transforms into two heights, such as table and bar base, expresses continuity and attention to detail. The column in extruded aluminium splits open to form four cross feet in resin. Bar Table Moon-S is also offered with a folding resin top so that it can be stored away with very little space. Suitable also for both indoor and outdoor.
